MDD
A Davies Company

Brian Mohlenhoff

CPA, CFF | Partner

Brian joined MDD Forensic Accountants in 1994. He is a partner at the firm's New Jersey office in Parsippany.

A licensed CPA in both New Jersey and New York, Brian's practice focuses primarily on business interruption. He uses his years of experience, keen investigative techniques and extensive knowledge of business, operational and manufacturing processes to accurately quantify and measure losses on behalf of his clients.

Brian has been retained on thousands of engagements, covering businesses ranging in size from sole proprietorships to Fortune 500 companies. He has worked on business interruption claims for losses under $5,000 as well as those in excess of $300 million.

Brian has offered expert witness testimony – related to accounting and damage evaluation – in various state courts.

Brian has co-authored articles on subjects such as occupational fraud that have appeared on websites such as uslaw.org, and he regularly conducts seminars for clients on topics such as business interruption and rental losses.

Active in the community, Brian serves as Chief Financial Officer for the Healing Haiti Fund.

He is a graduate of the University of Scranton where he received his Bachelor of Science in Accounting.
