MDD
A Davies Company

George Uhl

CPA, CCA, CFE | Partner

George joined MDD Forensic Accountants' Philadelphia office in 1998. He also worked in MDD Washington DC and Parsippany, New Jersey offices prior to moving to the firm's Dallas location in 2011. He is a Partner at the firm and is the Managing Partner of the southwest region.

George specializes in business interruption losses, physical damages, employee fraud, extra expenses, construction claims, stock and contents, fidelity losses and third party matters. He also has experience quantifying catastrophe service losses.

George has been involved in numerous cases across a wide range of industries.

He has served as both a fact and expert witness and has assisted counsel in the preparation and response of interrogatories and requests for documents. In addition, he has prepared expert reports, and provided analysis and testimony in support of his findings and on opposing expert's findings.

George has co-authored articles on subjects such as occupational fraud that have appeared on websites such as uslaw.org and he has presented seminars to insurance clients on topics such as builders' risk, business interruption, extra expense and insurable values.

George received his Masters of Business Administration from Philadelphia University. He also graduated from the University of Connecticut with a Bachelor of Arts in Economics.
