MDD
A Davies Company

David Cobb

Senior Manager

David joined MDD Forensic Accountants in 2024 as a Senior Manager in our Minneapolis office. Prior to joining MDD, he was a principal and economist at an accounting and professional services firm for 17 years.

David has significant litigation support experience and has assisted in the representation of plaintiffs and defendants in hundreds of disputed matters, including through estimation and evaluation of lost profits, business valuation, business disputes & shareholder disputes, divorce & marital disputes, and intellectual properties. This assistance has included testimony in state court and arbitration.

He has worked across a wide range of industries, including construction, real estate, manufacturing, agriculture, hospitality, medical devices, financial services, professional services, retail, and IT.

David has extensive catastrophe experience related to the California drought of 2007 – 2009.

He is proficient in German and has presented on topics related to financial analysis and business valuation.

David graduated cum laude from Cornell College with a bachelor's degree in Economics and Business, and a minor in Physics. David has a Certificate of Accounting from the University of Minnesota.
