

Jarrett Reaume

B.Acc, CPA, CA•IFA, CBV, CFF | Partner/Senior Vice President

Jarrett joined MDD Forensic Accountants' Toronto office in 2011. In 2012, he moved to Halifax to open the firm's Atlantic Canada office. He is a Partner/Senior Vice President at this location.

Jarrett has been involved in hundreds of investigations involving the quantification of economic damages in insurance and litigation matters. These assignments have been related to **business interruption**, **expropriation**, **stock & contents**, **product liability & recall**, **business valuations** and **personal injury & wrongful death**. He also has strong forensic accounting experience in the area of family law and a solid understanding of taxation and assurance.

Jarrett has been engaged across a wide range of industries, including: retail and wholesale, **agriculture**, aquaculture, forestry, mining, construction, hotel, travel, **power generation**, professional practices, residential and commercial rental properties, trucking, **transportation**, manufacturing, communications, not-for-profit, co-operatives and restaurants.

Jarrett has provided expert testimony before the Supreme Court of Nova Scotia, the Court of King's Bench of New Brunswick and at arbitration in Ontario. In addition, he has testified at examination for discovery and supplied litigation support to numerous MDD clients.

Jarrett has prepared and delivered seminars to many of Canada's leading insurers and law firms on economic loss, **business interruption** and **business valuation**.

Jarrett is a graduate of Brock University where he received his Bachelor of Accounting (Honours) degree. He also has a Diploma in Investigative and Forensic Accounting from the University of Toronto.
