MDD
A Davies Company

Norman Kwan

CPA, AMAE | Partner

Norman joined MDD Forensic Accountants' San Francisco office in 2001 as a Staff Accountant. In 2007, he relocated to the Singapore office to assist with the firm's expansion of its Asia Pacific operations. In 2009, Norman opened the Hong Kong Office and in 2013, he opened the Tokyo Office. He is a Partner at the firm.

Fluent in both English and Cantonese, Norman has vast international experience and has provided litigation services to clients in Hong Kong, Singapore, the United States and the United Kingdom.

He has performed economic damage quantification assessments for many of MDD's practice areas including matters related to fidelity, business interruption, extra expenses and stock & contents. Additionally, he has significant experience in the environmental damages and catastrophe services areas, having been engaged on assignments resulting from hurricanes Katrina, Charley, Frances, Ivan and Jeanne, as well as the Asian tsunami, the Great Tohoku earthquake and the Thai Floods.

He has conducted and presented seminars on forensic accounting topics such as business interruption, extra expenses, stock & contents and catastrophe services.

Norman graduated from the University of California at Berkeley with a Bachelor's degree in Economics.
