MDD
A Davies Company

Matthew Woodcock

CPA, CFF | Partner

Matthew joined MDD Forensic Accountants in 2000. He is a Partner at the firm's Minneapolis office and has been a forensic accountant for over 30 years.

During his career, Matt has analyzed economic damages related to publicly held companies and privately-owned businesses of all sizes. He has analyzed thousands of losses that have ranged in value from $5,000 to more than $500 million.

Matt's professional practice has concentrated on quantifying economic damages related to lost profits, intellectual property, product liability, fidelity, business interruption, incremental costs, property damages, subrogation and lost wages for personal injury & wrongful death matters.

Matt has worked on assignments spanning a wide range of industries including retail, wholesale, manufacturing, professional services, power generation, biofuels, transportation, pulp and paper as well as numerous others.

He has provided expert witness testimony in both federal and state courts and also served as an accounting expert in mediation, appraisal, arbitration and other similar matters.

Matt has conducted and attended several seminars and workshops on topics such as lost profits, business interruption, lost wages and inventory losses.

He graduated from Minnesota State University, Mankato with a Bachelor of Science degree in Accounting and Business Administration.
