MDD
A Davies Company

Eric Ficken

CPA, CVA, CFF, MAFF | Partner

Eric joined MDD Forensic Accountants' St. Louis office in 1993. He is a Partner at the firm.

Eric is a highly trained forensic accounting professional and has years of experience in litigation support services performing business valuation and quantifying economic damages related to business disputes, personal injury & wrongful death and construction litigation. He has provided expert witness testimony in state courts, mediations and arbitrations.

Eric has years of experience in the calculation of business interruption, lost profits, physical damages, fraud and investigations, extra expenses and stock & contents matters.

In addition, he has worked in the catastrophe services area, assisting in the measurement of damages that occurred as a result of 9/11, Hurricanes Katrina, Charley and Rita and various floods.

Eric has been engaged on assignments across a wide range of businesses and industries including base and precious metal mining, steel and aluminum manufacturing, hotels and resorts, retail and wholesale, commercial rental properties, construction and cement manufacturing.

He has conducted seminars for industry professionals on basic accounting principles, business valuation and loss of income.

Eric received a Bachelor of Science in Business Administration degree with an emphasis in Accounting from the University of Missouri – Saint Louis.
