MDD
A Davies Company

Marguerite Hart

CPA, CFE | Partner

Marguerite joined MDD Forensic Accountants in 2007. She is a Partner at the firm's Pittsburgh office.

Marguerite specializes in applying forensic accounting techniques for damage analysis and valuations. An accountant for over 30 years, she focuses on the quantification of damages resulting from business interruption, cyber risks, fidelity claims, fraud and investigations, liability losses and personal injury & wrongful death. In addition, she has been active in the area of catastrophe services.

Marguerite works on complex losses throughout the U.S. as well as internationally. Her experience spans a wide range of industries such as automotive, aviation, bio-fuels, cannabis, hospitality, manufacturing, maritime, medical, oil and gas, power generation, professional services, steel and technology.

She serves as a consultant for litigation matters and has been recognized as an expert in state and federal courts as well as alternative dispute settings. She works extensively with counsel through all phases of the litigation process, from discovery though expert testimony.

Marguerite is a dual national (France and U.S.), fluent in French and English and has a working knowledge of Spanish.
