MDD
A Davies Company

Glenn Silver

CPA | Partner - Global Cyber Practice Leader

Glenn joined MDD Forensic Accountants' New York office in 1999. He is a Partner and leads the firm's global cyber practice.

Glenn's practice focuses on quantifying economic damages in matters related to builders' risk & soft costs, business interruption, contingency claims including event cancellation, abandonment and contractual performance indemnity, cyber risks, extra expenses, movie and tv production delay claims, physical damages and stock & contents. He also has a wealth of experience in the catastrophe services area, having been engaged on assignments associated with Superstorm Sandy, 9/11 and hurricanes Katrina, Harvey and Maria.

Glenn has worked on claims that have ranged in value from $5,000 to more than $225 million. His experience spans a wide variety of industries including commercial and residential real estate properties, construction, entertainment, hospital and health care facilities, hotels and resorts, power generation and distribution, retail and wholesale, restaurants and transportation.

Glenn has provided litigation support to clients including expert testimony at depositions, mediations and trial.

He has presented numerous seminars on forensic accounting topics such as business interruption, extra expenses, builders' risk, contingency/ entertainment matters and cyber risks.

Glenn graduated from the State University of New York at Oswego with a Bachelor of Science degree in Accounting.
