MDD
A Davies Company

Jason Uloswceh

CPA, CVA, CFF | Partner

Jason began his career at MDD Forensic Accountants' Chicago office in 1998. He is currently a Partner at the firm.

Jason specializes in the measurement of economic damages related to business interruption, lost profits, construction defects & claims, products liability & recall and business disputes. He also has significant experience in the area of catastrophe services, having worked on assignments resulting from 9/11, the Gulf Coast hurricanes and more recently, worldwide earthquakes and flooding.

Jason has experience in a number of industries, including manufacturing, oil & gas, power generation, food processing and agribusiness.

He is regularly engaged to provide litigation support services and expert witness testimony.

Jason has conducted numerous seminars and training sessions on various forensic accounting topics.

He graduated from the University of Illinois with a Bachelor of Science in Accountancy.
