MDD
A Davies Company

Todd Jameson

CPA, CVA, CFF | Manager

Todd joined MDD Forensic Accountants in 2007. He is a Manager in the firm's Orlando office.

As an experienced forensic accounting professional, Todd performs economic damage quantification in areas such as business interruption, extra expenses/increased costs, lost profits, fidelity claims, physical damages, stock & content loss, fraud & investigations and business valuation. In addition, he has extensive experience in the catastrophe services area, having worked on losses resulting from hurricanes Irma, Harvey, Matthew and Michael.

Todd has worked on assignments that have ranged from $500 to in excess of $20 million. His industry experience has spanned a wide range of sectors including food services, manufacturing, retail, automotive, sports, entertainment & the arts, hospitality & tourism, and apartment complexes.

Todd currently serves as Treasurer for the Florida Insurance Fraud Education Committee. He is also a finance committee member at the Episcopal Church of the Resurrection.

Todd is a graduate of Florida State University where he received his Bachelor of Science degree in Accounting & Finance.
