

Aaron Isch

CPA, CVA | Manager

Aaron joined MDD Forensic Accountants Boston office in 2014. He is a manager at the firm.

Aaron has worked on assignments across most of our practice areas concentrating on **business interruption, cyber risks, business disputes & shareholder disputes, business valuation, personal injury & wrongful death, lost profits, and post-acquisition disputes**. He is also actively involved in the **catastrophe services** area, quantifying economic damages resulting from natural disasters, including hurricanes Harvey, Irma, Maria & Ida, California Wildfires, and the 2021 freeze in Texas.

His industry experience includes **financial services, food services, healthcare, hospitality & tourism, manufacturing, professional services, and retail**.

Aaron provides litigation support services to clients and has given expert witness testimony at depositions.

He has presented seminars on business interruption and liability losses.

Aaron recently completed a six-month secondment as a Claims Manager within Beazley's Cyber and Technology group.

He received his Bachelor of Science in Accounting & Master of Business Administration from Salve Regina University.
