MDD
A Davies Company

Jack Haines

Manager

Jack joined MDD Forensic Accountants in 2024. He is a Manager at the firm's New York office.

Prior to joining MDD, Jack gained significant experience at an international accounting firm, focusing on claim preparation and review across various industries.

Jack specializes in the quantification of economic damages related to cyber risks, business interruption, employee dishonesty & fraud, fidelity claims, fraud and investigations and product liability & product recall.

He has worked across a wide range of industries, including automotive, hospitality & tourism, retail, professional services, healthcare and pharmaceuticals.

Jack has presented seminars and workshops related to cyber business income loss.

He graduated from Villanova University with a Bachelor of Science degree in Accounting.
