

Michael Cicchino

| Manager

Michael joined MDD Forensic Accountants in 2025. He is a manager at the firm's Pittsburgh office. Prior to MDD, he was a forensic accountant at a global consulting firm where he specialized in business interruption claims.

Michael's expertise includes the quantification of economic damages related to **business interruption, cyber risks, fraud and investigations, lost profits, commercial disputes, environmental damages and toxic tort.**

He has significant experience in the area of **catastrophe services**, having handled assignments resulting from Hurricanes Sandy, Ida, Helene, Milton, Winter Storm Uri, the Northern California Wildfires, and Tropical Storm Isaias.

His extensive experience spans various industries, including **hospitality & tourism, agriculture, manufacturing, healthcare, sports, entertainment & the arts, construction, and retail.**

Michael is proficient in Python, SQL, and machine learning methodologies, with a focus on applying these tools to large-scale data analysis in forensic financial modeling.

He earned a Bachelor of Economics from The College of William and Mary in Williamsburg, VA.
