

William Sasser

CPA, CFE, CVA | Manager

William is a Manager at MDD Forensic Accountants Denver office. He joined MDD in 2025, bringing with him an investigative foundation from his audit and tax experience in public accounting. This diverse background paved the way for his transition into forensic accounting, where he developed a deep understanding of the financial stories behind the numbers.

William specializes in the quantification of economic damages related to **business interruption, business valuation, business disputes & shareholder disputes, fraud and investigations, lost profits and divorce & marital disputes**.

His work spans a diverse range of industries including **hospitality and tourism, wholesale, construction, manufacturing & transportation**.

He graduated from University of Maryland Baltimore County (UMBC) with a Bachelor of Science degree in Financial Economics.
