

# Andrew Albero

CFE, CAMS | Manager

Andrew joined MDD Forensic Accountants Philadelphia/Cherry Hill office as a Manager in 2025. Prior to joining MDD, he was a forensic accounting manager at a global accounting and advisory firm where he specialized in monitorships, investigations, and litigation engagements.

Andrew's expertise includes the quantification of economic damages related to **fraud and investigations**, **post-acquisition disputes**, anti-bribery/anti-corruption compliance assessments, FCPA/UK Bribery Act engagements, and more. As part of our Surety Practice group, Andrew will focus on engagements related to **surety bond matters**, fidelity claims, and **litigation support** services.

He has been engaged across a wide range of industries, including **financial services**, **healthcare** and life sciences, technology and telecommunications, **transportation** and logistics, and **hospitality** and **entertainment**.

Andrew received his Master's in Accounting from Fordham University. He also received his Bachelor's in Economics with a Minor in Criminal Justice from the University of Maryland.
