MDD
A Davies Company

Heather Angus

CPA, CFE | Manager

Heather Angus is a Manager at MDD Forensic Accountants' St. Louis, MO, office and brings more than 15 years of combined experience in corporate and forensic accounting.

She has extensive experience preparing complex financial analyses across a broad range of forensic accounting engagements, including builders risk & soft costs, business interruption, contingent business interruption & extra expense, financial motive, employee dishonesty & fraud, and asset misappropriation, insurance defense matters, and business income and lost profits calculations. Further, she has assisted in the authorship of expert witness reports utilized for court proceedings and uncovered pivotal financial discoveries used by counsel to negotiate the resolution of cases.

Heather has a wealth of knowledge and experience vouching and tracing general ledger amounts, reviewing and analyzing accounting books and records, detailed variance analysis, reconciliations of bank records and subsidiary ledgers, and identifying misstatements. She is adept at identifying patterns in data, applying professional skepticism, and arriving at analytical conclusions.

Her industry experience spans food services, retail, healthcare, manufacturing, hospitality and tourism, construction, and professional services.

Heather holds her CPA certification, the CFE credential, a Bachelor of Science in Accounting from the University of Missouri – St. Louis, and a Master's in Business Administration with an emphasis in Accounting from St. Louis University.
