MDD
A Davies Company

Ellyn Doerr

CPA, CFE | Manager

Ellyn began her career in forensic accounting in 2017 as a staff accountant in MDD's Philadelphia office. She is currently a manager and domiciled in Buffalo, New York.

She specializes in quantifying economic damages for matters related to business interruption, builders risk & soft costs, contingent bi & extra expense, physical damages, personal injury & wrongful death, stock and content losses, and fraud & investigations.

Ellyn has been engaged across various industries, including food services, healthcare, hospitality and tourism, manufacturing, retail, professional services and power generation.

She has vast experience in catastrophe services, having worked on assignments resulting from COVID-19, the 2021 Texas freeze, 2023 Hawaii wildfires, Tennessee tornadoes and hurricanes Milton, Helene, Ian, Ida, Laura & Isaias.

In addition to her technical work, Ellyn provides significant litigation support, assisting with discovery demands, arbitration, mediation, deposition and trial preparation.

She has also presented frequently on topics related to business interruption and extra expense.

Ellyn holds both a Bachelor of Science in Accounting and Accounting Information Systems and a Master of Science in Forensic Accounting from Canisius University.
