

# Aletha Bartusiak

CPA | Manager

Ali joined MDD Forensic Accountants in 2026 and is a Manager at the firm's Denver office. She began her career in forensic accounting in 2018 as a Senior Accounting Manager/Controller at a local law firm where she developed extensive experience in investigations and litigation consulting.

Her practice focuses on the quantification of economic damages in matters involving **lost profits, personal injury & wrongful death, fraud and investigations, contingent business interruption & extra expense, and advance loss of profits/delay in start-up.**

Ali has worked across a wide range of industries, including **agriculture, financial services, hospitality and tourism, professional services, sports, entertainment & the arts, healthcare and manufacturing.**

In addition to her technical work, she has substantial **litigation support** experience, assisting with discovery demands and mediation.

Ali currently serves on the board of the Palmer Lake Restoration Project and is the Treasurer of Cub Scout Pack 217.

She earned her Bachelor of Arts in Business Administration with a concentration in Accounting from Creighton University.
